

Meridian Point Supply Co. -- Annual Operations Report (Excerpt)

Section 4: Manufacturing & Fulfillment Footprint

As of fiscal year end, Meridian Point Supply Co. operates the following production and fulfillment facilities in addition to those listed on our corporate website:

Riverside Fulfillment Center

Located at 4400 Distribution Pkwy, Riverside, CA. This 210,000 sq ft facility handles west coast order fulfillment for our promotional products division and began operations in 2022.

Dayton Manufacturing Plant No. 2

Located at 1180 Industrial Loop, Dayton, OH. Secondary injection-molding plant supporting the primary Columbus facility, operational since 2019.

Corporate Showroom (Chicago)

Located at 233 Wacker Dr, Chicago, IL. Client-facing showroom and sales office, no production or warehousing on site.
